

Puppy Yoga & Puppy Therapy London

Private Bookings

Our Public and Private sessions are held
at 42 Hoxton Square, London,
N1 6PB on Saturdays and
Sundays only.

PUPPY YOGA (Weekends)

OPTION

Our Puppy Yoga private sessions are fixed at £630 from 1 up to a maximum of 18 people.

Any numbers over 18 up to 22 will be required to pay an additional £35 per person.

This session includes 25 minutes of gentle, beginner-friendly yoga led by our fantastic instructor, followed by 35 minutes of pure joy: puppy playtime! After a short health and safety briefing, we create a cosy play circle with flower cushions and toys for the 6–8 pups to join you.

This experience benefits both puppies and attendees. The puppies will gain valuable socialisation skills, reducing separation anxiety in their new homes. Attendees enjoy a wellness break, relieving everyday work and life stresses. After each session, the puppies have a 30–40 minutes quiet time, gradually becoming more confident away from their mother. This socialisation period, lasting a few weeks, prepares them for their new, more confident lives in their forever homes.

Puppy Yoga session times 10:00, 11:15, 12:30, 14:00 OR 15:15

Alternatively you can join our public class at £35 per person up to 9 people maximum.

Tickets are released every Thursday only for the following weekend only i.e tickets for 9th / 10th
