PUPPY YOGA

Our Puppy Yoga private sessions are fixed at £625 from 1 up to a maximum of 18 people. Any numbers over 18 up to 22 will be required to pay an additional £35 per person

During a Puppy Yoga session, you'll find yourself practicing yoga in a room filled with playful and adorable puppies. Our certified yoga instructors will lead you through a 20 minute gentle yoga flow followed by 40 minutes of puppy play time that incorporates plenty of puppy cuddles and interactions.

This experience benefits both puppies and attendees. The puppies will gain valuable socialisation skills, reducing separation anxiety in their new homes. Attendees enjoy a wellness break, relieving everyday work and life stresses. After each session, the puppies have a 30-40 minutes quiet time, gradually becoming more confident away from their mother. This socialisation period, lasting a few weeks, prepares them for their new, more confident lives in their forever homes.
